CHORUS

Just like a Gipsy I've wander'd my whole life thru' Watching and waiting for somebody just like you
Hoping that some day my luck would break Wand'ring squand'ring my time on some mistake
But now that I've found you I need never wander more I've found the one dear that
I have been looking for With love I may grow tipsy like a gipsy would do
Searching hill and dale Till I hit the trail right straight to you
For no more need I stray Love has found the way right straight to you
